

The City of Ember

Ember is a city without sun, moon, or stars. Food supplies are running low. Clothes are in shreds. The only lights are flickering and cast a yellow glow around the city. Total blackouts are becoming more frequent and are lasting longer. No one has ever lived anywhere else and no one has ever made it out of the city, until now.

After you finish reading the novel, choose **ONE** of the following projects to complete and turn in the first week of school.

- Create a Travel Brochure that describes the City of Ember as a great travel destination. Use details from the book to describe what life is like in Ember. Brochure should have three sections that are brightly colored. Make people want to be excited to come to Ember!!
- Answer the questions in the following page in complete sentences. Use correct grammar, spelling and capitalization. Make sure that your answers explain why you think that way.

City of Ember

1. What will Mrs. Murdo do with the note from Lina? Why do you think this?

2. Do you think the people of Ember will listen to Mrs. Murdo if she tells them about the note? Why?

3. Will the people of Ember be able to live successfully on Earth with so many things they do not know? Give at least 2 examples to show why you think that way.

4. Lina and Doon come out the tunnel and find land with rolling hills and a road in the distance.
What do you think happened to all of the people on Earth? Why do you think that?

5. What type of catastrophe may have caused people to create such a city as Ember? Why?
